

Industrial Designer

Start date: as of now

ABOUT N+P DESIGN

We are a strategic design agency based in Munich, focusing on product, digital and service design. Operating globally, we design high-tech products and experiences for public transportation, long-lasting capital goods, high-end consumer products and medical equipment. Our goal is to constantly question established norms, develop new concepts and shape extraordinary visions for the future.

WHAT WE OFFER

- Exciting and diverse projects in a globally operating and growing design studio
- A broad spectrum of industries: mobility, industry, health and home
- Open communication, flat hierarchies and a passionate, interdisciplinary team
- Possibility for hybrid-working
- Active role in shaping the team and future of the agency
- An inspiring workplace in the heart of Munich near the English Garden & Isar
- Great team-spirit, events and spontaneous after-work gatherings

YOUR PROFILE

You have already gained 2+ years of work experience? We offer you the chance to grow in our design team and take the next step in your professional career. What you should bring:

- Degree in Industrial or Product Design or similar
- 2+ year of experience
- Team player with high curiosity and willingness to learn and grow with the team
- Passionate about solving problems and improving people's lives
- Proficiency in concept visualisation with Rhino, Keyshot and/or V-Ray and Adobe
- Analytical & methodical thinking paired with experience in Design Research incl. market, trend and user research
- You have a keen eye for details and aesthetics as well as good technical knowledge
- Very good verbal and written communication skills (English and/or German)
- A good sense for Visual and Graphic Design is a plus

APPLY NOW
