

Internship Industrial Design

Start date: Summer or winter semester 2022

ABOUT N+P DESIGN

We are a strategic design agency based in Munich, focusing on product, digital and service design. Operating globally, we design high-tech products and experiences for public transportation, long-lasting capital goods, high-end consumer products and medical equipment. Our goal is to constantly question established norms, develop new concepts and shape extraordinary visions for the future.

WHAT WE OFFER

- An active role in our design team, right from the start
- Exciting insights into a globally operating design studio
- Contribution and responsibility in real client projects
- A broad spectrum of industries: mobility, industry, health and home
- Insights into the cross-development of products and interfaces
- Mentoring and support from senior designers
- A young and awesome team, open communication and flat hierarchies
- Great team-spirit, events and spontaneous after-work gatherings
- An inspiring workplace in the heart of Munich near the English Garden & Isar

YOUR PROFILE

You are studying design and want to gain your first real hands-on experience in a renowned design studio. What you should bring:

- Your internship is compulsory (6 months)
- Study focus on Industrial or Product design
- Team player with high curiosity and willingness to learn and grow
- Proficiency in Rhino and Adobe
- Experience with Keyshot and/or V-ray is a plus
- Analytical and methodical thinking paired with an interest for design strategy
- Very good verbal and written communication skills (English and/or German)
