

# Senior Industrial Designer

Start date: as of now

## ABOUT N+P DESIGN

We are a strategic design agency based in Munich, focussing on product, digital and service design. Operating globally, we design high-tech products and experiences for public transportation, long-lasting capital goods, high-end consumer products and medical equipment. Our goal is to constantly question established norms, develop new concepts and shape extraordinary visions for the future. Driving innovation since 1970.

## WHAT WE OFFER

- Exciting and diverse projects in a globally operating and growing design studio
- A broad spectrum of industries: Mobility, industry, health and home
- Open communication, flat hierarchies and a passionate, interdisciplinary team
- Possibility for hybrid-working
- Active role in shaping the team and future of the agency
- An inspiring workplace in the heart of Munich near the English Garden & Isar
- Great team-spirit, events and spontaneous after-work gatherings

## YOUR PROFILE

We are looking for a passionate and experienced Industrial Designer with who will work closely with our interdisciplinary team and clients to develop exceptional solutions. What you should bring:

- Degree in Industrial, Product Design or similar
- 5+ years of experience
- Team player with high curiosity and willingness to learn and grow with the team
- Passionate about solving problems and improving people's lives
- Exceptional visualisation and conceptual skills in Rhino, Keyshot and/or V-Ray and Adobe
- Experience in leading design projects with interdisciplinary teams and comfortable with managing clients independently
- Experience in planning and facilitating workshops
- Analytical & methodical thinking with experience in market, trend and user research
- You have a keen eye for details and aesthetics as well as good technical knowledge
- Very good verbal and written communication skills (English and/or German)

## APPLY NOW
