ABOUT N+P DESIGN

We are a strategic awardwinning innovation and design agency and work all around the globe. We focus on people to create unforgettable brand experience in the field of product, digital and service design. Operating globally, we leverage design in the areas of future mobility, industry solution, high-tech healthcare and brand-shaping home appliances. We daily question established norms in order to rethink, transform and change for the better. Our goal is to shape sustainable and extraordinary visions into tangible solutions for the future

YOUR PROFILE

We're seeking a passionate individual to join our creative force and contribute to our global impact. You will work closely with our interdisciplinary team and clients to translate ideas into exceptional digital and print designs. What you should bring:

- Degree in Design (Communication, Graphic or Interaction)
- 3+ years of experience
- Team player with high curiosity and willingness to learn and grow with the team
- Passion for Digital and Print: Interface, Typography, Branding, Packaging and Web
- Self-organized, reliable and structured work style
- Analytical & methodical thinking paired with experience in Design Research incl. market, trend and user research
- Proficiency in Adobe CC, Figma and the usual prototyping-tools
- You have a keen eye for aesthetics and attention to detail
- Very good verbal and written communication skills (English and/or German)

WHAT WE OFFER

- Exciting and diverse projects in a globally operating and growing design studio
- A broad spectrum of industries: Mobility, industry, health and home
- Open communication, flat hierarchies and a passionate, interdisciplinary team
- Possibility for hybrid-working
- Active role in shaping the team and future of the agency
- A conveniently located and cosy office near Haus des Meeres
- Great team-spirit, events and spontaneous after-work gatherings
